ABOUT THE AUTHOR

Chelsea Tornetto taught ELA and social studies for 17 years, but now she writes picture books. She is the award-winning author of Gardens Are For Growing (Familius 2022) and God Made You Too (WorthyKids 2022), as well as Seasons on the Farm (Sleeping Bear 2025) and Chalk the Walk (Familius 2025).

ABOUT THE ILLUSTRATOR

As an introverted kid growing up in Vermont, drawing came naturally to Laurel Aylesworth. She found her calling as an illustrator after becoming a mother and hence, wading knee-deep in picture books from the library.

Today, you can find Laurel still surrounded by picture books, sketch pads and pencils, her daughters, and a cup of jasmine tea at her side.

ABOUT THE BOOK

Grab a piece of sidewalk chalk and join in the fun! Join a pair of adorable siblings as they explore the incredible power of a piece of chalk to transform the world around them. Joined by people of all ages from their neighborhood along the way, they use their bucket of chalk to make some sidewalk magic. With rhyming text by Chelsea Ternetto and increasingly colorful illustrations by Laurel Aylesworth, *Chalk the Walk* is a celebration of imagination.

REVIEWS

"*Chalk the Walk*'s lyrical rhyming text and expansive sidewalk chalk-style art will have everyone longing to grab a bucket of chalk and join in the fun!"

Kelly Bennett, author of *Not Norman*

"Oh the magic of good, old-fashioned fun. As a family of chalk lovers ourselves, this book is a sweet reminder of the endless creative play that can come from just one brightly colored stick."

WRITE A COLOR POEM

A color poem describes a special person, place, thing or idea by identifying the colors we associate with it. It's fun and easy to write!

INSTRUCTIONS:

Step 1

Decide what your poem will be about. It can be anything you love...a person, place, thing, idea...even a season or activity!
The topic is your title!

Step 2

Choose three colors you think of when you think of that topic.

Step 3

For each color, give three examples of items related to the topic.

Step 4

Be descriptive! Think about how things look, feel, smell, taste, or sound!

Step 5

Have fun!

EXAMPLE COLOR POEM

Summer

Summer is yellow...
Like sweet and sour
lemonade,
The smiling sun,
and sunflowers growing
along the fence.

Summer is green...
Like the grass Dad mows
each week,
the rind of a ripe
watermelon,
and the palm trees at the
beach.

Summer is red...
Like ripe strawberries,
The stripes on the American
flag,
and my skin after a long
day in the sun.

MAKE CHALK PAINT

Did you know you can even paint with chalk? Use the recipe below to make your own chalk paint...and go paint the town!

Ingredients and Supplies:

- Corn starch
- water
- food coloring or tempera paint
- paint brushes
- muffin tins or small cups

Instructions:

Step 1: In each muffin tin or cup, mix cornstarch and water until it's a "paint-like" consistency. If you want thicker paint, use less water!

Step 2: Add a few drops of food coloring (or tempera paint if you're worried about stains) to each cup, to make your desired color.

Step 3: Use paint brushes to paint on your driveway or sidewalk!
